Pallet Collection and Re-use

As part of our commitment to the "WRAP Halving Waste" initiative, Knauf Insulation has teamed up with [European Logistics Management \(ELM\)](#) to provide a free pallet collection and re-use service.

- Last year we recovered and re-used over 126,000 pallets
- In 2010 we are aiming to increase this to **175,000 pallets!**

ELM will happily collect any and all of our Supakube pallets* from your site or branch and return them to our plants for re-use in another Supakube. And what's more, it won't cost you a penny!

Should you wish to arrange collection of pallets supplied by Knauf Insulation, you can contact ELM Monday to Friday between 8am and 5pm.

Call free on 0800 282488
